February 28, 1995

Please confirm the following transmission received:

Date: February 28, 1995
Call Letters: WNLC
Frequency: 1510
Location: New London CT

Programming:
7:54AM EST - Headline News - Sports Scores
7:54AM EST - Ad - Berkshire East Ski
7:55AM EST - Ad - Sports Show w/Mike McLaughlin
7:56AM EST - Charles Osgood commentary

The signal was clear. For some reason due to an ice storm the Boston station at 1510 was very weak. Usually there is no way to get anything past their 50,000w. After 8:00AM I heard the Howard Stern show. Is that your transmission?

The signal was received at Marshfield, Massachusetts which is a coastal community located thirty miles south of Boston, Massachusetts.

I have enclosed a stamped, self-addressed envelope.

Thank you for your consideration.

Sincerely,

Phil Greenspan
101 Forge Lane
Marshfield, Ma 02050

DEAR PHIL -
I CAN CONFIRM YOUR RECEPTION OF OUR SIGNAL FROM 7:54 THROUGH 7:56 AM ON 2/28/95. CONGRATULATIONS! INCIDENTALLY, WE DO NOT AIR THE HOWARD STERN SHOW, SO I'M NOT SURE WHERE THAT TRANSMISSION ORIGINATED.

SINCERELY,

STEVE KEEFE, CHIEF ENGINEER
WNLC/WTYD
